FULFILLNET, INC. PRESENTS \$100 RAFFLE DONATION TO FOX VALLEY NON-PROFIT ORGANIZATION

GREEN BAY, WIS. (March 6, 2008) –A \$100 raffle donation to the Emergency Shelters of the Fox Valley was presented to Jill Mitchler on behalf of FulfillNet, Inc. at their Non-Profit Mailing Seminar held on March 6th in Green Bay, WI.

Over thirty non-profit groups met to attend FulfillNet's Non-Profit Mailing Seminar. FulfillNet, Inc. designed this seminar specifically for non-profits to provide education so they can lower their mailing costs through automation compatibility and drop shipment services.

“The seminar was very well received,” said Jim Bott, seminar presenter. “The goal is to provide non-profits the sometimes confusing information in a fun and friendly way. We want to show them where they can save money to stretch their budgets further than before.”

Additional seminars on the ways non-profits can maximize their mailing budgets will be held this fall.

About FulfillNet, Inc.

FulfillNet, Inc. is a full-service fulfillment solution company created in 1997 to help clients deliver their brand message through three core competencies: fulfillment, direct mail and contact management. For more information about FulfillNet, Inc. visit www.fulfillnetinc.com.
