FulfillNet, promotes a team oriented, energetic workplace where having fun and achieving goals go hand-in-hand and is seeking full time Project Manager.

PROJECT MANAGER

Looking for a challenging opportunity with room to grow in a Sales and Marketing driven organization?

FulfillNet's Project Manager plays an integral part in delivering key business results for FulfillNet and its clients. As a member of the Sales team, the Project Manager serves as a liaison between FulfillNet's internal and external clients leading implementation of complex projects from start to finish.

The ideal candidates will possess:

- Bachelors or Associate Degree or equivalent Project Management experience
- A flexible personality with the ability to effectively manage changing project scope and priorities
- Willingness to travel as required
- Excellent attention to detail and pride in work completed
- Excellent interpersonal, written and oral communication
 - Ability to develop and lead cross-functional teams
 - Skills to develop effective relationships
 - Present information simply and effectively to small and large groups
- Expert knowledge of Microsoft Outlook, Word, PowerPoint, and Excel
- Ability to learn quickly and retain information
- Desire to grow, develop, and participate in a team-centered culture
- Take initiative eagerly
- Analyze information and issues and offer solutions
