FulfillNet promotes Fiel to Fulfillment Supervisor

GREEN BAY, WIS. (January 6, 2010) – FulfillNet, Inc. announces the promotion of Jim Fiel to Fulfillment Supervisor.

Fiel now oversees the day-to-day activities of the Fulfillment Department, including receiving, pick/pack and shipping operations. Fiel joined FulfillNet in 2005 and was promoted to Receiving/Shipping Lead in July 2008.

“Jim has seized many opportunities during his four years with FulfillNet,” said Amy Winzenried, Fulfillment/Facilities Manager. “He encourages a team environment on a daily basis through frequent communication, and his actions clearly demonstrate his commitment to the team’s success. We’re eager to see him develop further in this new role.”

About FulfillNet, Inc.

FulfillNet, Inc. is a full-service fulfillment solution company created in 1997 to help clients deliver their brand message through three core competencies: fulfillment, direct mail and contact management. For more information about FulfillNet, Inc. visit www.fulfillnetinc.com.
