FulfillNet promotes Reitz to Director of Client Satisfaction

GREEN BAY, WIS. (January 6, 2010) – FulfillNet, Inc. announces the promotion of Marcus Reitz to Director of Client Satisfaction. Reitz now leads and directs the company’s operational and service offerings.

“Marcus has demonstrated the ability to delight our customers and develop processes to meet that objective,” said Kate Burgess, President/Owner of FulfillNet. “We’re confident his leadership skills will be a positive force in our focus on client satisfaction.”

Reitz is a 2003 graduate of the University of Wisconsin-Green Bay with a degree in Organizational Communication.

About FulfillNet, Inc.

FulfillNet, Inc. is a full-service fulfillment solution company created in 1997 to help clients deliver their brand message through three core competencies: fulfillment, direct mail and contact management. For more information about FulfillNet, Inc. visit www.fulfillnetinc.com.
